Walaa Engineering &
Contracting Private Limited

COMPANY PROFILE

Walaa Engineering &
Contracting Pvt. Ltd.

Profile:

Established in Thrissur, (Kerala) India in the year 2019, we “WALAA ENGINEERING & CONTRACTING PRIVATE LIMITED ,” are engaged in providing various kinds of civil construction service that include Civil Construction work, Roads, Highways & Industrial Roads, Designing, Fabrication and Laying Service, Interiors and Exteriors services. These are offered as per the requirement of our esteemed clients.

We use high quality raw material throughout our service in every field as we are one of the renowned quality centric organization and quality is our prior aim. We procure the raw material from quality driven organization that is checked at our quality inspection unit as to provide unique quality service to our esteemed clients. We offer these services after complete planning and designing of the project.

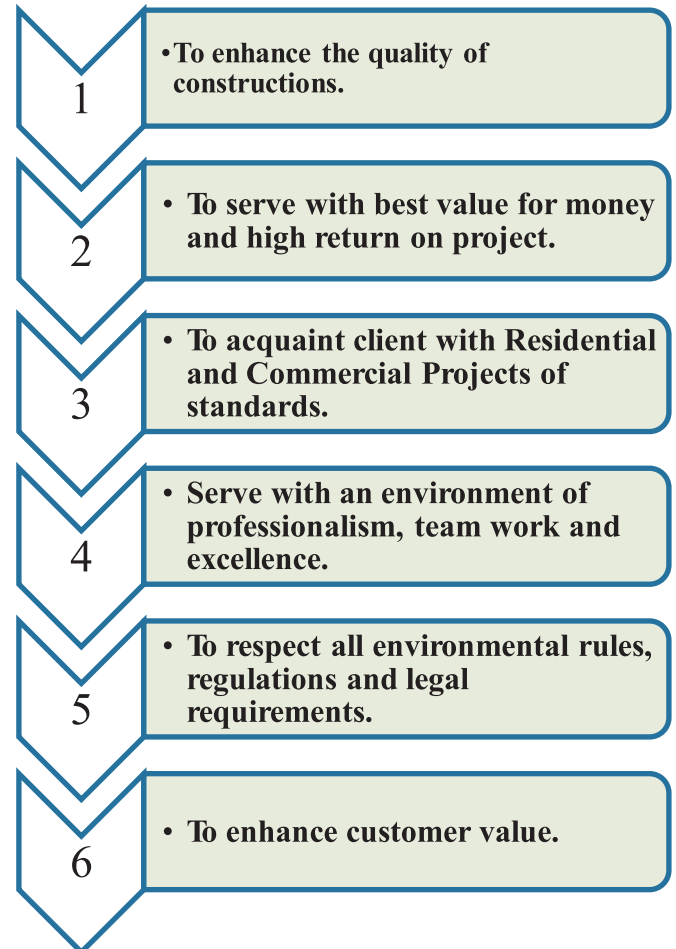

Our team of experts and professional engineers are gaining experience from past many years in the field of civil engineering. We use latest and high performance machinery & equipments in our services. We provide these services in various parts of the country and make a permanent relationship with our esteemed clients.

Our Mission:

To be honest in all our activities, dealings and to consciously introspect our work and action on day to day basis. WALAA ENGINEERING & CONTRACTING PRIVATE LIMITED is a Company that would consciously like to channel its resources, energy and activities towards building a world that is free of low standards. We must progress as individuals as a company and as a truly meaningful organization that is honest, fair in all its dealings.

Every person in our organization must consciously develop himself in knowledge, attitude, habits, skills and strategies in order to build a meaningful world through our work. We will strive for excellent quality in every work that we execute on a daily basis and see to it that we don't compromise on our values of honesty and commitment and at any given cost, irrespective of the situations. We believe in the foundation of quality, commitment and contemplation on regular basis in order to continuously grow. It is our mission to provide the best of work in our field irrespective of the challenges we face. We will not stop to dream because of difficult problems. We will continuously provide best and quality oriented work through our projects because of our current achievements will be the foundation of our success in the future.
